

Machine Learning

Statement of Accomplishment

Login ID: i.chernyavska@gmail.com

Name: Iryna Cherniavska

Congratulations! You have successfully completed the online Machine Learning course (ml-class.org), offered April through July, 2012. To successfully complete the course, students were required to watch lectures, review questions and complete programming assignments. Your score was as follows:

Review Questions: 79.5 out of 80
Programming Assignments¹: 700.0 out of 700

Sincerely,

A handwritten signature in blue ink that reads "Andrew Ng". The signature is fluid and cursive, with the first name "Andrew" and the last name "Ng" clearly visible.

Andrew Ng

Associate Professor

Computer Science Department

Stanford University

¹ Your programming assignments score may be higher than 700 because of a possible 50 points of extra credit.

Please note: This online offering of Machine Learning does not reflect the entire curriculum offered to students enrolled at Stanford University. This document does not affirm that you were enrolled as a Stanford student in any way; it does not confer a Stanford grade; it does not confer Stanford credit; it does not confer a Stanford degree or a certificate; and it does not verify the identity of the individual who took the course.
